11 MARIN COUNTY SHERIFF, et al.,
12 Defendants.

Case No. [13-cv-04090-WHO](#)

**ORDER RE REQUEST FOR
ACCOMODATIONS**

Re: Dkt. No. 9

12 Plaintiff has made a request to the Court for accommodations to allow her access to
13 electronic copies of all materials filed in this case as well as general court information. She
14 requests that the materials be provide on CDs, in PDF format for enlargement and in MP3 format
15 for listening. *See* Docket No. 9 at 2.

16 Access to PDF copies of all documents filed in this case is available through the Public
17 Access to Court Electronic Records (PACER) system at <http://cand.uscourts.gov/cm-ecf>. From
18 PACER, plaintiff can download PDFs of all case documents and then enlarge and otherwise
19 manipulate them. Moreover, based on plaintiff's representations concerning her physical
20 disability, the Court finds that the plaintiff has demonstrated that an exemption from payment of
21 the PACER User Fee is necessary in order to avoid an unreasonable burden on her access to public
22 information. Therefore, the Court GRANTS plaintiff a PACER User Fee Waiver. The Clerk's
23 Office shall process the fee waiver and plaintiff can register for an account at
24 www.pacer.gov/register.html. This waiver is for the Northern District of California only. Without
25 good cause, any searches outside of the Northern District will be billed to plaintiff at the standard
26 rate.

27 With respect to general court information, that information is available through the Court's
28 website at www.cand.uscourts.gov. More specifically, "Representing Yourself in Federal Court:

1 A Handbook for Pro Se Litigants" is available in PDF at <http://cand.uscourts.gov/prosehandbook>.

2 Access to electronic copies of documents through PACER and the Court's website
3 adequately addresses plaintiff's request. Given the Court's limited resources, the Court DENIES
4 the request for accommodation to information on CDs and in MP3 format.
